

# TEST DOCUMENT - SPACING VERIFICATION

## COMPACT INFORMATION TABLE

Student Name	John Doe
Roll Number	SP21-BCS-001
Company	TechCorp Solutions
Supervisor	Jane Smith (jane@techcorp.com)
Start Date	Monday, January 15, 2024

## OPTIMIZED CONTENT SECTION

This content section now uses optimized spacing with reduced padding (12px vs 20px), smaller line gaps (2px vs 3px), and more compact height calculation. The overall layout is much more space-efficient while maintaining readability and professional appearance.

## ACKNOWLEDGMENT & DECLARATION

I hereby confirm that:

- Reduced box height with optimized padding
- Smaller checkmark and improved text positioning

- More efficient use of vertical space
